(Correction) Partial Correction to the “Supplementary Explanatory Notes to Consolidated Financial Statements for the Nine Months Ended December 31, 2025”

MAX Co., Ltd. (the “Company”) hereby announces corrections to the “Supplementary Explanatory Notes to Consolidated Financial Statements for the Nine Months Ended December 31, 2025” released on January 30, 2026, due to errors in part of the document.

1. Reasons for the corrections

Under our defined benefit pension plan, pension assets exceed pension liability; therefore, while we should have recognized the assets related to retirement benefits, we erroneously recognized the amount calculated by combining those assets with other retirement benefit liabilities and pension assets (excluding the defined benefit pension plan) as a liability related to retirement benefits. Accordingly, we are correcting the relevant items.

2. Main corrections
