'Guardian Note' Tape Roll Series (GN)

CABLE & WIRE MARKING	PIPE MARKING	CURVED SURFACES	SAFETY SIGNS	GLOSSY FINISH

Would you like to have a hero join your team? Guardian Note (GN) helps you protect your employees and work processes with visual marking improvements. This advanced solution combines a strong adhesive with a pliable material, making it a amazing fit for curved surface applications such as wire and pipe marking. Of course, Guardian Note can also be used on more traditional flat-surface applications. All safety colors are ANSI/OSHA compliant (excluding clear, silver, and gold), making them appropriate for on-site safety and other signage applications.
